## मृत्यु का जाल

**झांसी** ■ वार्ता/डेस्क  
उत्तर प्रदेश के बुन्देलखंड में पानी को लेकर मचे हाहाकार के बीच झांसी में किसानों ने आज राष्ट्रपति को पत्र लिखकर इच्छा मृत्यु की मांग की तथा महिलाओं ने मटके फोड़कर प्रदर्शन किया।

पानी की भयानक किल्लत से जूझ रहे सैंकड़ों किसानों ने बुन्देलखंड किसान पंचायत के अध्यक्ष गौरी शंकर बिदुआ के नेतृत्व में आज यहां गांधी उद्यान में अनिश्चित कालीन धरना प्रदर्शन शुरू कर दिया। धरने पर बैठे किसानों ने

अधिक किर में पुलिस ने वाहन चोर गिरोह लेकर जिला सदस्यों को गिरफ्तार कर उनके किसानों ने चोरी की चार मोटरसाइकिलें, से राष्ट्रपति की नकदी एवं तमंचा, चाकू गहराते पेय कारतूस बरामद किए। पुलिस अवगत करानगर) डा0 प्रवीन रंजन सिंह ने कि यदि उम्मा कि वरिष्ठ पुलिस अधीक्षक के दूर नहीं की के निर्देश पर जिले में संदिग्ध ही घर वापसलों की चेकिंग की जा रही है।

इस दो संकट को खेती के लिए चुस्त दुरुन इसके अला करने की में पथरेई

हमलाचारा ग गाणा मारकर हत्या कर दो नगर पुलिस अधीक्षक आकाश तोमर ने घटना की जानकारी देते बताया कि मृतक का नाम राजीव चौहान है और वह कवि नगर इलाके में टायर का व्यवसाय करते हैं। कल रात राजीव अपनी फैक्ट्री से घर की तरफ जा रहे थे तभी कुछ हमलावरों ने उस पर ताबड़तोड़ गोलियां चला दी। घायल अवस्था में उन्हें पास के निजी अस्पताल में ले जाया गया जहां डॉक्टरों ने उन्हें मृत घोषित कर दिया। घटना की सूचना मिलते ही पुलिस मोके पर पहुंच गई और शव को कब्जे में लेकर पोस्टमार्टम की कार्यवाही शुरू कर दी। पीड़ित के परिजनों ने तीन पूर्व कर्मचारियों पर आरोप लगाते हुए बताया कि ये लोग पिछले कई दिनों से उन्हें धमकियां दे रहे थे।

## ट्रैवल ब्लॉगर्स टिहरी झील महोत्सव के बारे में लिखेंगे

देहरादून, भाषा। टिहरी तथा उसके आसपास के प्राकृतिक सौंदर्य और यहां के साहसिक कारन वाली गतिविधियों को पर्यटन की दृष्टि से प्रचारित के लिए एक नयी पहल करते हुए उत्तराखंड पर्य विकास परिषद ने देश के कुछ प्रमुख यात्रा ब्लॉगर्स आज से शुरू हो रहे टिहरी झील महोत्सव में आमंत्रित किया है जो पाठकों से अपने अनुभव साझा करेंगे। आमंत्रण को स्वीकार करते हुए देश के आठ जाने-यात्रा ब्लॉगर्स आज ऋषिकेश से बस से झील महोत्सव को देखने के लिए रवाना हुए।

ये ब्लॉगर्स टिहरी झील के अलावा आसपास क्षेत्रों की प्राकृतिक सुंदरता का नजारा लेंगे तथा घाटि

# Sustainable development is key agenda for Ghaziabad, says DM Ritu Maheshwari

Widely recognized and praised for her extraordinary efforts in efficiently managing the administration, the Ghaziabad District Magistrate Ritu Maheshwari within a short span of time has brought transmogrifying effects in the district.

She is not only managing the DM's office here, but has also walked the extra mile to handling the hefty task as Vice-Chairperson of the Ghaziabad Development Authority (GDA).

Ritu Maheshwari, a 2003 batch IAS officer of Uttar Pradesh Cadre, made visible changes in this vibrant city. Her action to ensure encroachment free Ghaziabad has been widely applauded.

Her innovative methods to check power theft during her previous stint with the Electricity department has been widely appreciated.

Before coming to Ghaziabad, Maheshwari served as the vice chairperson of the Agra development authority. Earlier, she had also served as director, medical education / health & family welfare and also held the post of district magistrate in JP Nagar, Ghazipur, Pilibhit and Shahjahanpur. She also served as vice-chairperson of the Meerut development authority, besides holding the chair of joint commissioner (Meerut).

In a country where power loss due to illegal tapping is on a high roll, Maheshwari's efforts re-iterate the need for digitization of power. Maheshwari, whose story was filed in 2014 Bollywood movie 'Katiyabaaz', was one of the leading torch bearers of the Prime Minister Narendra Modi's efforts to help out loss-incurring state power departments.

Identifying her dedicated

and rigorous works, **Top Story Editor Praveen Attre and Associate Editor Santosh Sharma, spoke to Ritu Maheshwari** exclusively, to get insights of her future plans for the districts. Maheshwari has said that the sustainable development of Ghaziabad with special emphasis on cleanliness and greenery is her key focus.

**Excerpts from the interview:**

**You are the District Magistrate as well as Vice-Chairperson of GDA, what are the major challenges you are facing, while handling two bodies?**

There are scores of challenges in Ghaziabad district. Crime remains a major challenge and to controlling them remains the top most priority of the administration. Further being neighboring district to the national capital, managing daily traffic remains another major issues. Similarly, in Ghaziabad industrial areas, where industries are mushrooming, land acquisitions and farmers issues is also a challenge. Further with high population density, maintain cleanliness and greenery in the district is another challenge for us.

**When you joined Ghaziabad administration and later assured as a clean and green city, what are the steps you have taken in this regards?**

I had tried to make a clean and green city, and we are working hard to provide best facilities to the Ghaziabad people. I can say a lots of work have happened in the last 7-8 months, that's creates Ghaziabad is the fastest developing city and it stood 35 position in cleanliness and greenness from 350 spot as surveyed by the

File Photo

government of India. We have started door-to-door garbage collections, night cleaning. Plantations have been identified in major areas all the major entry and end of the exit city. We have started special campaign 'Swachta se Samridhi ki Aur mera Ghaziabad'. With the help of Nagar Nigam, Ghaziabad Development Authority, government agencies, private bodies, and forest department and the participants of residents, we have planned 2.5 lakh plantations this year. Solid waste management is pending, lots of things to be on ground and there are must more to be done. We have been organizing 'Kachra Samadhan Mahotsav' in different parts of the city. Mahotsav will instill awareness among the people without whom no waste management and recycling programme can be undertaken. It will help the visitors to hone

their knowledge on various aspects of waste management and recycling that they can further put to use practically.

**What are the new projects in pipeline that will further modify the Ghaziabad?**

The most important project is elevated road which is being already opened. As far for the betterment of Ghaziabad people opening of eastern peripheral expressway corridors, lots of congestion to be done to manage traffic. Metro second phase is going and expected to complete by September this year.

The proposed extension from Sector 62 to Sahibabad spans 5.11km on an elevated section with four stations in Ghaziabad - Vaibhav Khand, Indirapuram, Shakti Khand and Sector 5 of Vasundhara. The extension is estimated to cost Rs1,926 crore. This will largely cater to commuters

moving from Ghaziabad city, Rajendra Nagar, Sahibabad, Vasundhara and Indirapuram towards Noida.

The second extension is proposed on a 5.06km elevated corridor from Vaishali to Mohan Nagar and is expected to cost Rs 1,785 crore. This route will be an extension of the Anand Vihar to Vaishali route, which is already operational. The extension will have four proposed stations at Prahlad Garhi, Sector 14 of Vasundhara, Sahibabad and Mohan Nagar.

There are small projects like developing of parks, old plantations, developing birds watching places, traffic management schemes, lighting and sound show, pollution for IIT Roorkee and other works are on various stages. "We have also proposed in the real estate sector with majority investments coming in from private developers in the form

of group housing projects, affordable housing projects, 'Pradhan Mantri Awas Yojna', malls, schools, hotels, etc. We also have proposals from the industries department as Ghaziabad is also a major industrial hub. The projects proposed by the GDA are located in Raj Nagar Extension, Indirapuram, NH-24, Koyal Enclave and Indraprastha housing scheme areas.

**There has been mushrooming of illegal encroachment in Ghaziabad, what actions you have taken contain them?**

We are taking necessary actions on illegal encroachment, when we find we take action on them. We freed around Rs 1400 crore land has been vacated in the last 6-7 months. We have lodged six complaints for filing FIRs against encroachers who have taken over nearly 30,210 square

metres of land worth Rs 126.65 crore. This is the first action against land mafias by the authority. We had earlier identified nearly 54.31 hectares of authority land that has been encroached upon. The authority has identified and named nearly a dozen persons in the six FIRs.

According to official records, of the 54.31 hectares that has been encroached upon, nearly 21.38 hectares is caught up in litigation. Of the remaining 32.93 hectares, 4.31 hectares has been freed up until now and the six FIRs were lodged in this connection.

**Talking about vending zone, where a space is being provided to relocate the roadside vendors. How it is helpful and what about the development plans?**

It is a government land where around 20-30 thousand vendors can be relocated in 7-8 pockets in different parts of the city. We have already relocates 3000-4000 vendors for vendor space. We are developing on the public private partnership models and we will decongest the city and proper amenities would be provided for their livelihood.

We have identified four locations in Indirapuram to set up vending zones to accommodate hawkers and vendors that at present encroach upon streets and roads in the township.

Around 1,000 street vendors have been identified for whom alternate space will be provided within the township.

Though we have identified 1,000 vendors we have identified space that can accommodate over 1,100 vendors. Four vacant parcels of land in Indirapuram will be used for setting up the vending zones. The green belt in Shakti

Khand 4, running parallel to the Hindon Canal, which had recently been cleared of illegally operating banquet halls and farm houses is one of the four locations set up for vending zones. An 800 sqm plot of land near Shanti Gopal Hospital in Ahimsa Khand 2 is another plot identified for a vending zone. In addition, two parcels of land near the sewage treatment plant along CISF-Vasundhara Road will also be used to accommodate vendors. A total of 500 vendors will be accommodated separately on the two vending zones near the STP.

**You have taken a great initiative to stop power theft in Kanpur, what was the action and how far it was successful?**

We have taken strict action against the people who is using illegally power theft. FIRs have been registered against the persons who are misusing the electricity. We had instructed the power corporation officials to fulfil the objective of providing 100 percent power supply in rural and urban areas of Ghaziabad. We have organized to publicise the programme of the government to provide electricity to every home and for this purpose assistance at the local level starting from Gram Pradhans, councillors and others should be taken. We have also distribute LED bulbs at these many places. Ghaziabad is the first district where is 100 percent electric supply happened.

The DM also inspected data on line losses and said that these should be curbed. Those employees who fulfil the conditions of recovering highest revenue and minimizing line losses would be rewarded, the DM remarked. She also asked the officials to put an end to power thefts.

## Fuel price hike: Cong-SP protest at city magistrate office in Noida

Staff Reporter  
Noida

As a mark of protest against the fuel price rise, Samajwadi and Congress party workers on Thursday staged protest at city magistrate office in Noida. Later they submitted a memorandum to the President. Prior to this, both the parties brought out rallies and procession. The SP party workers raised bike whereas the Congress party workers put a bike in a bullock cart and travelled in the city to mark the protest against the increasing fuel prices.

The SP party workers gathered at the telephone exchange located in Sector - 19 in the morning as per the scheduled program and reached city magistrate office

**The SP party workers raised bike whereas the Congress party workers put a bike in a bullock cart and travelled in the city to mark the protest against the increasing fuel prices.**

with a procession. The SP party workers held protest and shouted slogans against the central government there.

Addressing on the occasion, state general secretary of SP Majdoor Sabha, Devendra Singh Awana said that when curd oil price was 106.85 dollar per barrel in May 2014 then petrol price was Rs 71.41 and diesel price was Rs 56.41 rupees and then BJP was in opposition and had made it electoral issue. The BJP had given slogan 'Bahot hui tel ki maar, abki baar Modi sarkar.' Awana questioned where Modi government's claim to

reduce price is? Instead of giving relief to the common public, the central government has increased the excise duty from Rs 9 to Rs 19 rupees. In some BJP-ruled states, 40 percent of the VAT is being charged. He alleged that the BJP government at the center is less focused on the problems of the public and giving more attention on winning elections.

Former metropolitan spokesperson of the Samajwadi Party Raghuvendra Dubey said that with the increase in oil prices, prices of the commodities are also increasing rapidly. Farmers

and poor are extremely worried.

Samajwadi Party's senior leader Jagat Chaudhary described the current situation as horrific and demanded to cut the price with immediate effect. After this, Congress Party's metropolitan president Mukesh Yadav described the drastic increase in the cost of petrol diesel as cruel joke with the common public. Party's metropolitan spokesman Pawan Sharma said that when elections were held in Karnataka, then the price of oil was not increased for 19 days. This was done only to win elections by fooling the public. After that, the central government has continued to loot the common people by increasing the price.

## No let up in heat wave conditions in Haryana, Punjab Chandigarh

There was no let up in the heat wave conditions in Haryana and Punjab on Thursday, with Hisar once again recording the highest temperature of 45.6 degrees Celsius.

Haryana's Hisar district was the hottest place in the two states and its maximum temperature was four degrees above the normal, a report by the India Meteorological Department (IMD) said.

Among other places in Haryana, Narnaul recorded a high of 44.5 degrees Celsius, three notches above the normal. Bhiwani too sizzled at 43.4 degrees Celsius.

Karnal and Ambala sweltered as the mercury touched 42 and 42.6 degrees Celsius respectively, four degrees above the normal for both.

In Punjab, Patiala and Ludhiana had a hot day at 43.1 and 42.6 degrees Celsius respectively, while Amritsar recorded a high of 41.8 degrees Celsius.

Chandigarh, the common capital of the two states, recorded a maximum temperature of 41.8 degrees Celsius, four degrees above the normal.

## CRPF-IIM, Rohtak signs MoU to equip officers with managerial competence

TSN/New Delhi

In a bid to make its trainee officers future-ready, CRPF on Thursday signed a Memorandum of Understanding (MoU) with the Indian Institute of Management (IIM), Rohtak for a certificate program in business management. The MoU was signed between Rajeev Rai Bhatnagar, DG, CRPF and Prof. Dheeraj Sharma, Director, IIM, Rohtak at the CRPF headquarters in New Delhi. Senior officers of the force were present on this occasion.

Speaking at the event, Bhatnagar said that a closed organization can never prosper in the modern era which is wit-

nessing rapid changes in different sectors. CRPF being a force which faces the toughest of challenges in maintaining the internal security of the country, needs to cope with the time by taking an outside view of things as well. He said that the MoU on the certificate program in business management for the trainee officers will go a long way in equipping them with a whole gamut of managerial skills ranging from resource management, stress management, financial management to logistics and inventory management. Terming this novel endeavour a 'great start', Bhatnagar expressed the hope that such

managerial value-addition will help upkeep the motivational level of the officers in adverse circumstances. Sharma too dwelt on the need for managerial skill up-gradation of the officers of this massive and mobile Force. He said that the course has been designed keeping in mind the managerial need of the officers that includes emotional intelligence, coping mechanism et al.

The certificate program in management designed by the IIM, Rohtak will be delivered to the trainee officers of the CRPF through a variety of well-conceptualized pedagogy package spanning over a period of six months.
